## Accessories and spare parts:

---

Water trap: 513

Product details are available in the product database at [www.blucher.com](http://www.blucher.com)

## For the owner/user:

---

A BLÜCHER® Art Deco shower channel in AISI 304 has been installed.

## Before first use:

---

- Check that the channel has been cleaned leaving no concrete spills etc.
- Check that a water trap has been installed.

## Normal operation:

---

If there are a lot of impurities in the water, it may be necessary to clean the water trap at appropriate intervals.

## Cleaning:

---

- Clean the channel, water trap and grating as necessary.
